

Quality of Decision Making in Family Business

Based on Levels of Accountability and Trust

HA-HT

Effective leadership that represents the perspective of all stakeholders in a timely manner.

02

HA-LT

When one person makes all the decisions while other stakeholders have no voice.

01

LA-HT

Leadership is blocked, objections stunt the progress, skepticism prevails.

04

LA-LT

Leadership disengaged, decisions avoided progress and growth stagnant.

03
